RESCUE REPORT

Reported by Elena Lamberson—Weimaraner Rescue of SC is continuing to make the break from GCWC to become a statewide organization. Paperwork and insurance searches are still in the works. Billie is going to look into Equisure insurance for the group, as suggested by Rhett. The most recent meeting was held on July 9th in Columbia. A new logo and website were discussed, as well as a system to be put into place using Paypal to accept donations for the organization. There is still a shortage of both foster homes and transport people and volunteers are needed. Club members decided on a start up amount of \$3000 to be transferred to the Rescue Group with annual contribution amounts to be determined in July of coming years. Billie added the latest rescue dog, Divot, onto the website on July 12th bringing the total of dogs that currently need homes to 5. There will be opportunities for upcoming Rescue Group participation in Paws for Claws in Ladson in September and Bark in the Park in Greenville in October.
